The **St Giles On-Site Residence** has 27 rooms and is located in the same building as St Giles London Central. There are 2 ensuite twin rooms, 2 ensuite single rooms, 6 standard twin rooms and 17 standard single rooms.

All standard rooms have a bed, desk and desk lamp, kettle, mirror and washbasin. Students staying in the standard rooms should expect to share the toilet and bathroom facilities with approximately 6 other students. The ensuite rooms have a private toilet and shower. We can find room-mates for the shared twin rooms. The en-suite twin rooms are only for students travelling together.

Bed linen is provided and changed once a week, when the rooms are also given a full clean. A light clean is given every day. The school does not provide towels or toiletries for students.

Meals are provided in our cafe, on the first floor of the building. Students can choose to have breakfast only, or half-board.

Students have keys to their own rooms, as well as a St Giles Residence ID card for entrance to the building. There is a security guard on-site 24 hours a day to allow students to enter the building.

Smoking is against the law and strictly forbidden anywhere in the school and residence.
