Starting your St Giles Journey

From when you first book your course with us until you say goodbye, we want to help you get the most out of your time with St Giles. Every student’s journey is different, but whatever you choose, we are happy to help.

When you arrive

When you arrive in the UK, USA or Canada, we can arrange for an airport transfer to meet you, and take you to your accommodation. Each of our schools offers a great range of accommodation to suit your needs and budget.

Chapter Highbury Residence, London

Homestay

Homestay offers you the chance to stay with an English speaking host in their home. It is a great choice if you want to practise your English naturally outside of the classroom, really experience life in the UK, USA and Canada, or be in a more supportive environment. It also offers excellent value for money.

- Choose from single or twin rooms
- Half-board, bed & breakfast and self-catering options available
- Superior options are available at selected centres

Residences

Student residences are ideal for students looking for a more independent lifestyle. Residences are generally located closer to the schools than homestays, often within walking distance. You’ll also have the chance to meet other international students, making it easy to make new friends! As residences vary from centre to centre, you will find a range of room types and meal options on offer.

New for 2020, we can now also offer a co-living option in New York City, providing high-quality shared living spaces for over 18s.

Other options

All of our centres have specially negotiated rates at a choice of hotels and guest houses. They are located within easy reach of the schools. These are a good option if you want to be independent but benefit from all the services that hotels offer, and are ideal for business or executive clients. Private homes are also available at selected centres, which have more than four students staying at the same address.

Starting your lessons

In 2018

95%

of our students felt they made progress in their studies

Your studies at St Giles

Making progress

Whether you study with us for a week or a year, we aim to help you make progress in your studies! To help us do this, we offer you:

- A one-to-one feedback meeting with your teacher every two weeks
- An in-class test every two weeks
- A regular progress test
- At the end of your programme, provided you attend at least 80% of your classes, you will receive a student report, confirming you studied with us and the progress you made during your time with us

Complimentary services

To help you get the most out of your learning experience, we offer additional free services outside of the classroom. These may include:

- Academic counsellors
- Exam coordinators
- Grammar doctors
- Learning support coordinators
- 12 months' access to our e-learning zone

Your facilities

All our schools offer modern facilities to help you enjoy your lessons and make the most of your time with us. These include:

- Interactive whiteboards in most classrooms
- Wi-Fi around the school
- Café
- Self-access study facilities
- Bookshops and libraries

Your learning

Our teachers are supportive, professional and focused on helping you achieve your personal goals. Our approach to teaching is 'learner centred', which means we focus on the needs, interests and aims of our students, and plan the content of the course on the basis of this information. Our teachers encourage active learning, participation in activities and discussions and learner independence.

Meeting your teachers

To help you get the best education, our teachers are all:

- Qualified, native-level English speakers, often with many years of experience
- Regularly observed and appraised, with detailed feedback to continue to improve their teaching
- Encouraged to take further qualifications

Your feedback is very important to us so we ask all our students for their comments at their end of their course, so we can continue to improve and develop.

Your class

On your first day at St Giles, you will take our placement test, so we can make sure you are placed in the right class. You will then be put in a class with students who have a similar level of English, and where possible are from a variety of countries. At St Giles, we have a maximum class size of 12 at our year round centres, 10 for students under 16 studying at Eastbourne, Cambridge and London Highgate, and 15 at our Junior Summer Centres. For even smaller class sizes, students can opt for our Platinum classes (available at selected locations), where the maximum class size is 5. This means that you will enjoy personal attention from your teachers, which will help you make faster progress.

The teachers are devoted to what they do and it was the perfect place to improve my English”.

Safeguarding and child protection

We take safeguarding very seriously at our centres and we have Child Protection Officers at every school. All our staff undergo background checks and police record checks to ensure they are safe to work with children.

Support and welfare

We want to make sure you are safe and happy throughout your time with us, so we provide:

- An emergency 24 hour phone number
- Dedicated staff to help with issues with your accommodation, learning and welfare
- A welcome session on arrival so you can meet the team and other students

ELT Courses: Teacher Training and Teacher Development

Initial Teacher Training: Cambridge Celta

St Giles runs courses leading to the Cambridge CELTA (Certificate in Teaching English to Speakers of Other Languages). This initial teaching qualification is the most widely recognised by international employers as well as by the British Council.

CELTA courses are open to both native English speakers and those who do not speak English as their first language, but who have a high level of competence in English (at least C1 on the Common European Framework of Reference for Languages - CEFR).

CELTA courses are offered by St Giles Brighton, London Central, London Highgate and New York City. Our CELTA courses are offered as 4-week intensive courses and 12-week part time courses.

In-Service Teacher Training: Cambridge ICELT

The ICELT (In-service Certificate in English Language Teaching) is a Cambridge award for experienced English language teachers who do not have English as their first language. The ICELT course consists of two separately accredited modules. Module 1 can be taken either in the UK or in the teacher's own country but Module 2 includes assessed teaching observations in the teacher's own local work context.

St Giles also offers ICELT courses for closed groups of teachers. The St Giles Educational Trust can provide further information on request.

Teacher Training Development courses: St Giles Teacher Training of English (TEC) and Cambridge TKT

The 2-week St Giles TEC course is offered at all centres in the UK and USA. It is designed specifically for practising teachers of English from all over the world, who do not have English as a first language. These courses enable teachers to update their professional practice and improve their language skills.

St Giles Brighton also runs a 2-week course to prepare teachers for Modules 1, 2 and 3 of the Cambridge Teaching Knowledge Test (TKT). The examination is taken on the final day of the course.

For details of teacher development courses which can be run in other countries, please contact the St Giles Educational Trust.

An initial qualification in TEFL (Teaching English as a Foreign Language) will give you many opportunities to live and work in the UK, USA and abroad, and to meet people from many different backgrounds and cultures.

St Giles was one of the first organisations to offer training for English language teachers in the UK. Today we run initial and in-service teacher training courses in the UK and USA and also in many different countries for ELT professionals who want to develop their English language skills and teaching methodology.

- More than 50 years' experience of training English language teachers
- Programmes delivered by skilled trainers, who are also practising teachers
