

BRIGHTON

Brighton is in the South-East of England and it is located on the south coast. It is most famous for its long history as a royal town and is still home to one of the historical royal palaces, now known as the Brighton Pavilion. Home to a number of prestigious universities & schools, it is one of the most cosmopolitan cities in the world and one of the most environmentally friendly places in the country. The people of Brighton love their city for its beauty and sunshine!

Our centre is based at the University of Brighton, Varley Park Campus. Students benefit from staying in a safe, secluded residential area at night and studying in the bustling city centre during the day. Students are escorted to the classrooms (a 30 minute bus ride away) by their teachers every morning. Students normally spend all day taking part in fun activities in the city centre or visiting nearby areas and head back to Varley Park Campus after dinner.
