Please read the following information carefully and tick ALL the relevant boxes on the left

I, the parent/legal guardian consent that my son/daughter can take part in a language course at St Giles International Brighton. I confirm that our child has enough sense of maturity and responsibility to participate in a course that will include students aged 18 and over.

We understand and will discuss with our child before the course that:

-
- 1. My child will study in classes with students aged 18 and over
 - 2. My child will travel between the school and the homestay unsupervised.
 - 3. Our child will not be supervised during their free time, e.g. between the end of their lessons at the school and returning to their homestay.
 - 4. All students aged 16 & 17 must be home by 23.00, Sunday to Thursday inclusive, and by 00.00 on Friday and Saturday.
 - 5. My child can go out unsupervised until 23.00, Sunday to Thursday and until 00.00 on Friday & Saturday.
 - 6. If you wish your child to be home **before** the above times, please indicate the time below.
Time to be home (weekdays):
Time to be home (weekends):
 - 7. The school's social programme is not compulsory, nor is it specifically designed for this age group. Certain activities are not suitable for students under 18. All school social activities are supervised by school staff, who will assist the students. We strongly advise all students to return to their homestay with a friend, or preferably by taxi, particularly in the evening when it is dark. You can see examples of the social programme on our website at www.stgiles-international.com/student-services/socialprogramme/.
 - 8. My child will have sufficient money to pay for lunches at the school, and for transportation in Brighton. For guidance, £7 per day should be sufficient for lunch and drinks in the school café, and a typical taxi fare is currently £10 journey, approximately. Please see <http://www.stgiles-international.com/downloads/cost-of-living-guide-Brighton-2018.pdf> for guidance and other costs.
 - 9. If my child visits a friend/relative, they must have my permission, the school's permission, and they must inform the school and host of their travel plans and who they are going to visit.
 - 10. The school takes bookings for trips on Saturdays and Sundays. These are organised by an external company, and St Giles staff do not normally go on these trips.

- 11. My child can go on full day excursions. This may include excursions not arranged through St Giles (please note, outside companies are not responsible if your child misses a scheduled connection and, as a result, will have to travel independently).
 - 12. My child can go on overnight excursions. This may include excursions not arranged through St Giles (please note that outside companies are not responsible if your child misses a scheduled connection and, as a result, will have to travel independently). We will need to receive written parental consent for each individual overnight excursion.
 - 13. All students aged 16 and 17 are advised to have a return airport taxi transfer, unless they are travelling with a named relative or adult companion. We advise this in order to avoid possible problems with immigration procedures. Students must also carry the Parental Travel Consent Form.

School and host family rules:

- 14. I understand that St Giles Brighton has a Safeguarding Policy to ensure the protection and well-being of children at the school. The full Safeguarding Policy is available on our website, www.stgiles-international.com.
- 15. My child must attend all classes. The school has a strict attendance policy. Students can be absent only when they are unwell. In such cases, the student or their host must telephone the school as soon as possible on the day of the illness.
- 16. I understand that the school reserves the right to terminate the course of any student who seriously or persistently misconducts himself/herself at the school or in the homestay during his/her stay. In such cases, there will be no refund of fees, and we will be responsible for our child's return or onward journey and the associated costs.
Such misconduct may include: possession/consumption of illegal drugs/alcohol; intentional damage of school or host family property; repeated absence from classes; repeated disturbance of classes or in the host family; repeated breaking of school rules; criminal activity.
The school's Student Disciplinary Code is available on our website
- 17. My child will follow the host's rules and requirements. This will involve, amongst other things, use of the home telephone, TV, and computer; having visitors; meal times; smoking; noise; use of the bathroom; cleanliness and tidiness; safety and security of the property.
- 18. My child will be responsible for any damage they may cause in the host family accommodation.
