Please read the following information carefully and tick ALL the relevant boxes on the left

- We, the parents/legal guardians consent that our son/daughter can take part in a language course at St Giles International Cambridge. We confirm that our child has enough sense of maturity and responsibility to participate in a course that will include students aged 18 and over.

We understand that:

	1. If your child visits a friend/relative they must have your permission, the school's permission, and they must inform the school and host family of their travel plans and who they are going to visit. Your child must discuss these plans with the school, and we must receive written confirmation specific to the trip from you.				
	2. The school takes bookings for trips on Saturdays and Sundays. These are organised by an external company, and St Giles staff do not normally go on these trips.				
	My child can go on full-day excursions organised by other companies

YES		NO			
	When there is sufficient demand, the school may organise its own full day excursions on Saturdays and Sundays, which will be appropriately staffed. However, it is likely students will have free, unsupervised time at the destinations.				
	My child can go on full-day excursions supervised by St Giles staff

YES		NO			
	3. All students aged 16 and 17 are advised to have a return airport taxi transfer, unless they are travelling with a named relative or adult friend. We advise this in order to avoid possible problems with immigration procedures. Students must also carry the Parental Travel Consent Form.				

School and host family rules:

	4. Our child must attend all classes, and be on time for each class. The school has a strict attendance policy. Students can be absent only when they are unwell. In such cases, the student or their host family must telephone the school as soon as possible on the day of the illness
	5. We understand that the school reserves the right to terminate the course of any student who seriously or persistently misconducts himself/herself at the school or in the homestay during his/her stay. In such cases, there will be no refund of fees, and we will be responsible for our child's return or onward journey and the associated costs. Such misconduct may include: possession/consumption of illegal drugs/alcohol; intentional damage of school or host family property; repeated absence from classes; repeated disturbance of classes or in the host family; repeated breaking of school rules; criminal activity. <i>The school's Student Disciplinary Code is available on request</i>

	14. The school's social programme is not compulsory, nor is it specifically designed for this age group. Certain activities are not suitable for students under 18. All school social activities are supervised by school staff who can assist the students attending the activity. We <u>strongly</u> advise all students to return to their host family with a friend, or preferably by taxi, particularly in the evening when it is dark. You can see examples of the social programme on our web site at https://www.stgiles-international.com/student-services/social-programme/2018%2012/274/1
	15. Our child will have sufficient money to pay for lunches at the school, and for transportation in Cambridge. For guidance, £6 per day should be sufficient for lunch and drinks in the school canteen, and a typical taxi fare is currently £8 per journey, approximately.
