

St Giles
LONDON CENTRAL

QUARANTINE AT CHAPTER Highbury 2020

DO

- ✓ You can use the shared kitchen in your allocated flat. However, please be aware of other students in your flat and maintain social distancing where possible and/or wear a face covering in communal areas
- ✓ The onsite Gym, Study Area and Cinema Room are now closed to students for the time being this will avoid any overcrowding in corridors and the residence. Guidance is changing often, and the residence will re-open these areas once it is safe to do so
- ✓ You may order your food shopping online (some suggestions for you would be Ocado, Tesco Online, Asda Online, Sainsburys Online etc – some small newsagents can also be found on Deliveroo and UberEATS). The delivery will be accepted by the reception and they will bring this to your room. Please note if you order food especially from UberEATS please inform the drivers to leave the food at the Reception as they will not know they are outside
- ✓ Your rooms will not be cleaned during the quarantine period as our cleaners will not be entering your room. However, if you would like fresh bedding/towel please leave a note on your door requesting this and the cleaner will leave them for you
- ✓ We can confirm that students who are self-isolating are able to use the courtyard but there will be a designated area for you to do this and we would ask that you wear facemasks and use the lifts singularly.
- ✓

DONT

- × You may not bring guests into the residence at any time
- × You are expected to keep the shared kitchen areas clean and tidy; you must clean up after yourself when using the facilities. Please wash dishes/cutlery and place back in the drawers/cupboards for other students to use
- × You must not leave the residence during the Quarantine period unless in the case of an emergency
- × When walking in any communal space please wear a face covering and wash your hands on a regular basis

If you have any questions or concerns during your stay you may report directly to the reception area and they will be happy to assist.
