All international students must have health insurance for the full period of study in Canada. This is the law.

We accept:

- ✓ Health Insurance from your own country
 - It must be for your entire time in Canada
- ✓ Student Health Insurance from St Giles
 - GuardMe Medical Insurance costs \$20 per week or \$1.45 per unit times the number of days
 - Easy – we can do it for you online

If you are going to be in Canada with a valid study permit for 6 months or longer, you must register with Canada's Health System – Medical Services Plan of BC (MSP):

- It takes 30 days from the time of application so you need to apply as soon as you arrive in British Columbia.
 - It costs \$75 per month
 - This will cover your doctor visits so you won't have to pay.
