Occasionally, students may arrive or depart on a non-standard arrival day, eg, any day other than Sunday. Payments for additional nights and deductions for less nights will be made on a pro-rata basis unless otherwise stated.

Payments are made on a fortnightly basis and run 1 week in advance and 1 week in arrears. If a student has stayed with you for less than 14 days (including the future week) at the time of the pay run, the initial pay will be included in the next pay run. After this time, payments should be received in regularly every 2 weeks for the remainder of the student's stay with you.

Payment schedules can be checked by the accommodation team at the school at any time, so if you have a question about when payments will be received you can contact us at the school either by email (accommodation.cambridge@stgiles.co.uk) or by calling the school on 01223 358 089
