You are about to begin a very exciting experience!

We at St Giles will do everything we can do to make your visit an enjoyable learning experience. Our staff is happy to answer your questions and guide you.

**Please read this handbook and keep it for future reference.** You will find many interesting and informative tips about both St Giles and Brighton. Please do not hesitate to ask for help in any way. We hope you will enjoy your stay with us!

## **Our Mission Statement**

Since 1955, St Giles have created a family of schools, fostering a community made up of long-term international relationships.

We have built on our experience and committed ourselves to constant improvement and high quality.

We aspire to treat students as individuals and to empower them to find their voice, and to create the conditions for an immersive English language learning journey both inside and outside our classrooms.

# Introduction

## St Giles Brighton

St Giles Brighton is part of the St Giles International group founded in 1955 — we now have schools in London, Brighton, Eastbourne and Cambridge. St Giles Brighton was established in 1969.

**St Giles is a family company, and our group values are to have high quality, to improve and develop, to support and to offer a truly international experience.**

St Giles Brighton is a member of English UK and is accredited by the British Council for the teaching of English in the UK. We offer courses in general English as well as examination courses including B2 First, C1 Advanced, C2 Proficiency, IELTS and also English for University Studies, and Business.

We have 33 classrooms (all with Interactive Whiteboards) and free Wifi throughout the school. We also have a Cafe. Our location, building and facilities make the school an ideal place in which to study and relax.

Our Brighton school is in the centre of the city, opposite the iconic Royal Pavilion (pictured above), and only minutes away from the beach and the city's main shopping and entertainment. The usual time from Homestay to the School by bus is 20-40 minutes and our residence is 5 minutes' walk away.

## Brighton

Brighton is a young exciting city with a population of 276,300. It is only an hour away from London. There are many award-winning restaurants in Brighton catering for all tastes from classic fish and chips to creative vegetarian restaurants. The city also has a great selection of tourist attractions from the British Airways i360 observation tower to the Brighton Pavilion, to Brighton & Hove Albion FC, a Premier League football team!

The area is also a great base for exploring the beautiful Sussex countryside, including the South Downs National Park and the Seven Sisters cliffs along the coast.

Brighton also has a successful arts and theatre scene and lively student population. With an excellent nationality mix, our Brighton centre is ideal for students looking for a lively and cultural experience.

# Facilities

## Learning outside the classroom

It's very important for you to do some extra study in addition to the work you do in class. The Self Access facilities at St Giles are free, so why not use them? You will increase your knowledge of English and you can practise areas that you or your teacher feels you need to work on.

## The Private Study Area

The Private Study Area (pictured right) provides a quiet area for students to study, do homework and prepare for examinations. The centre has a wide variety of workbooks which complement your class course book, dictionaries and reading materials for all levels.

## Wi-Fi Access

St Giles Brighton has Wi-Fi throughout the school. Laptops can also be connected to the internet using the access points in the Private Study Centre.

## St Giles Bookshop

The bookshop in reception sells course books and reference books for grammar and vocabulary.

Generally, students at St Giles are expected to buy their course books but in certain situations, for example if you are studying for 3 weeks or fewer, you can borrow a 'loan copy'. You will need to pay a £30 deposit in cash for this and you will not be able to write in the course book. Ask your teacher if you can borrow a book.

## Jubilee Library

This modern, bright and large library is just a minute's walk from St Giles Brighton. It offers internet access and a quiet area for reading, research and study. If you are staying in Brighton for a few weeks or more, you can join the library and borrow books and music. The library also holds regular lectures and special talks.

Our service is **free** and available to all St Giles students.

If you would like to apply for a **first** or a **Bachelor's degree** (BA or BSc), Nick will help you to apply through UCAS.

If you have finished a degree in your country, and would like to study for a **Master's degree** (MA, MSc or MBA), he will help you to find the right course and complete your application. He can help with higher degrees and **foundation courses** too.

For more information, please send Nick an email: [nfawbert@stgiles.co.uk](mailto:nfawbert@stgiles.co.uk)

## Corporate Social Responsibility

Corporate Social Responsibility (CSR) is about businesses helping to care for the local environment. St Giles Brighton takes its Corporate Social Responsibility seriously. For example, we are keen to recycle as much waste as possible and you can find special recycling bins in the cafe and in your classrooms.

Here is a list of some of the materials you can recycle:

- Coffee Cups
- Paper
- Plastic bottles
- Batteries
- Cardboard
- Glass

We are trying to reduce the amount of paper we use in the school and the amount of electricity we use. This handbook, for example, used to be printed on paper but is now online.

The tea and coffee in our Cafe is all Fair Trade and the milk and sugar is sourced from farms in the UK.

Throughout the year we hold different events to raise money for charities including UNICEF, Save the Children and Cancer Research. For every £1 the school raises, St Giles will donate £3!

If you have any ideas about how St Giles can make the world a better place, please speak to the Principal.

# Making Progress

At St Giles Brighton we want you to make progress as quickly as possible. There are several ways in which you can assess your progress during your course.

## First Day

Every student takes a Placement Test before they arrive at St Giles. This consists of a writing task, a 60 question 'use of English' part, and an online interview with an experienced teacher. This information helps us to assess your English ability and ensures that you are placed in an appropriate class at a suitable level.

## In Class

In class, your progress is measured against a detailed 'language checklist' for each level. Every two weeks your teacher will give you a class test to check that you have understood what has been covered. You will also be able to talk to your teacher privately and talk about your time at St Giles. Your teachers often report your progress to the Director of Studies and the academic team.

## Progress Tests

If you are staying at St Giles for 12 weeks or longer, you can take a Progress Test every two months. These tests are similar to the Placement Test that you took on your first day, so that the results of different tests can be compared and your progress accurately measured. The results of your Progress Test are emailed to you and shown to your class teacher. You will be able to discuss your progress privately when you meet your teacher every two weeks. All results of Progress Tests are put onto the Course Certificate (see picture below).

## Leaving Tests

If you are staying for 4 weeks or more and attend at least 80% of your lessons, you can take a Leaving Test when you finish your course. As with the Progress Test, the Leaving Test is similar to the Placement Test that you took on your first day. Following your Leaving Test, St Giles will provide a Course Certificate showing your level of English.

## Examination Preparation Courses

Students on examination courses, such as IELTS, B2 First or CAE, will have regular assessment tasks throughout their course. In a typical exam course, students can be expected to take at least three full practice exams. This is in addition to the many progress checks and mini-tests they will be asked to complete. Examination students are also able to take Progress Tests and Leaving Tests as described above.

## Academic Progress Reports

You can also request an academic progress report from the Assistant Director of Studies (ADOS). This report is completed by your teacher and gives you grades for your performance in class. There are also comments and recommendations from your teacher on how to make the most of your time at St Giles.

## Typical lessons at St Giles

Each class and every lesson are different, but there are some techniques we use at St Giles which are typical of any lesson.

For example, in class your teacher will often ask you to work with another student. We call this **pair work**. This gives students the maximum opportunity to use their English in class.

Sometimes the teacher will ask you to work in a **group** with other students. Again, this gives you more chances to practise your English.

Your lessons will concentrate on grammar, vocabulary, pronunciation and one of the four skills of speaking, listening, reading and writing. But these areas are not independent of each other. So, in a reading lesson, you will probably work on grammar, vocabulary, pronunciation, speaking and listening as well as reading!

We believe the most important thing about learning English is **communication**, and so a lot of your lesson time will be spent on developing your speaking and listening skills.

Class time is valuable, so make the most of your time at school. **Students who experiment more and contribute more to lessons are nearly always students who make good progress. And don't worry if you make mistakes. So, remember, YOU are the most important person when it comes to learning the language.** Relax, enjoy the lessons, speak and ask questions as often as you can!

# Student Rules

We want your studies at the school to be as useful and enjoyable as possible. To help with this, we have prepared these rules so that you know what we expect from all students here.

## At school

- Please **arrive on time** for every lesson, even after breaks.
- Please **attend every lesson**. If you are ill or cannot attend for some other reason, please phone the school on 01273 682747 before 9AM on each day you are absent. The school will contact your host and after 2 days of absences we will contact your parents or guardians.
- **Do your homework**. Your teacher will give you homework most days and it is important that you do it in order to improve your English.
- Please **do not speak in your own language** during class. Try and speak English all the time.
- Please **turn off your mobile phone** or put it on silent when you are in class. If you are waiting for a very urgent call or message, please tell your teacher at the start of the lesson and they will allow you to leave the room.
- Please do **not bring food or hot drinks** to class. Only bottled water is allowed in classrooms.
- Please do **not leave the classroom to smoke a cigarette**.
- Please **do not interrupt** or talk at the same time as your classmates. Let them finish what they are saying before you speak.
- In the UK, **men and women have equal status** and it is against the law to treat them differently.
- Please **treat other students and staff with respect and tolerance**. Bad language, fighting and bullying are not allowed. In keeping with the UK Government's Prevent strategy the school will take action against students expressing extreme or offensive opinions.
- Please wear your yellow wristband at all times.

Have a look at our [Principal's presentation](#) to have more information.

If a student behaves badly in the school or in their accommodation, the DoS or the Principal will be told about it.

Bad behaviour by a student may result in them finishing school early if they do not change their behaviour following a formal warning.

The Student Disciplinary Code says what St Giles would see as poor behaviour and says what St Giles can do as a response.

The full under 18s Student Disciplinary Policy is available below:

# Attendance

To make good progress in your English you should attend all your lessons. Please respect your classmates and your teachers by coming to class on time and attending all your lessons. If you know you will be absent, you must tell the main office before you are away.

Your teacher keeps a record of student attendance for every lesson, every day. If you do not come to lessons, your teacher will mark you as "ABSENT". Remember, arriving late for school will also negatively affect your attendance.

**As you are under 18, you are expected to come to every lesson and have 100% attendance.**

If you miss lessons for two days in a row without good reason, your teacher will inform the ADOS, who will want to speak to you about your attendance. As you are under the age of 18, we will also have to inform your parents or guardians.

**Your attendance should not fall below 80%.** If this happens, you will receive a warning letter and if your attendance does not improve, you will have to see the ADOS, DOS and Principal to explain your continual absence. If the situation persists, we can ask the student to leave the school and no refund will be given. Our standard cancellation terms will apply. For further information please see the Student Disciplinary Code

**If you are sick, you should let the school know. You can:**

- **telephone the office on 01273 682747**
- **or email student services: [studentservices.brighton@stgiles.co.uk](mailto:studentservices.brighton@stgiles.co.uk)**
- **or email Bryony: [bdevitt@stgiles.co.uk](mailto:bdevitt@stgiles.co.uk)**

If you are sick for three days or more, you should get a note from a doctor explaining your absence. If you are planning a holiday, please check with the office at least one month before you go. We will also need a special authorisation from your parents or guardians.

Remember, your attendance is always written on the Leaving Certificate as well as all other Reports issued. In addition, as mentioned previously, your attendance must be at least 80% if you want to do a Leaving Test.

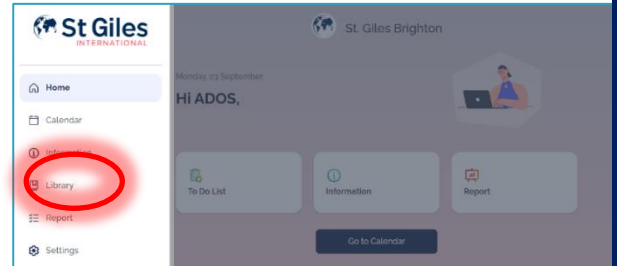

# The e-school

The St Giles e-school is our Internet platform where you can have information about the school, your class and your progress.

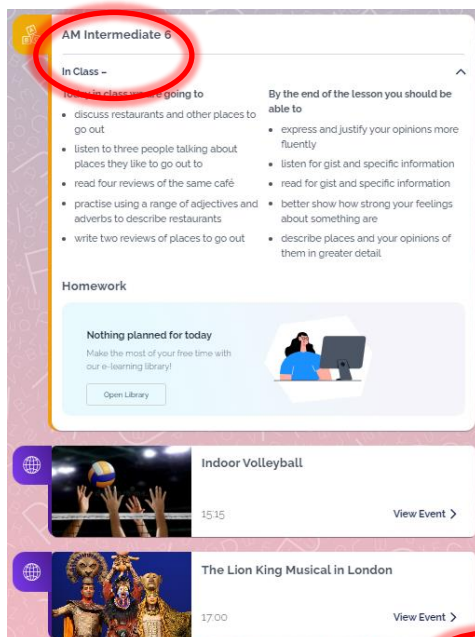

To login you need your username and password which will be sent to you by email before your course starts.

On this platform you can:

- Practise your English at home using the "self-study" section:

- See what you are going to learn and do during the week in class and the social programme activities:

- Give feedback on your experience at St Giles Brighton by answering questionnaires.

- [First Week Questionnaire](#)
- [Student Exit Questionnaire \(Brighton\)](#)
- [Your contact details](#)

- Check the feedback from your tutorials with your teacher. Every two weeks, you have a test in class to check your progress and on that day your teacher will talk to you and advise you on how to improve your English.

## Are You Unhappy About Anything?

We do our best to make sure that you have a happy and satisfying educational experience while you're at our school and while you're in the UK but from time to time you may have a problem and you may wonder what to do about your problem. This is what to do:

If you are unhappy about any aspect of our service please tell us as soon as possible so that we can try to help you. You can speak to any member of staff that you feel comfortable with.

If you are still unhappy and wish to make a complaint, please speak to the Director of Studies (about your studies), Student Services Officers (about your booking) or Accommodation and Welfare Officer (about your accommodation and welfare). There is a poster in your classroom which contains a photo and name of a specialist staff member that has been trained to give you support in a range of specific areas. We take every complaint seriously and we will tell you within 24 hours what action will be taken to help you.

If you are still not satisfied, please ask to speak to the Principal. Our Principal is always happy to see you. You can also submit your complaint in writing.

St Giles is a member of English UK, an association for accredited English language schools. If you are still unhappy you may take your complaint to an independent ombudsman. The ombudsman will investigate the complaint. St Giles promises to accept any decisions made by the ombudsman. You can contact English UK at 219 St John Street, London, EC1V 4LY. You can email: [info@englishuk.com](mailto:info@englishuk.com) or call: 020 7608 7960.

# Accommodation

## Host Families

St Giles chooses its host families carefully because the time you spend with your host family is a very important part of your stay in the UK.

We hope that you will be happy with your accommodation. We like to place our students with families who will talk to them and treat them as members of the household. **Please give your host family your mobile phone number as soon as you arrive so they can contact you if necessary.**

Remember that your host family's way of life may be different from what you are used to in your country, so please find out what your host family expect from you. The first few days may feel a little strange and you may feel you do not fit in with the family's routine. You may also feel a little homesick, and this is quite normal. Remember that many of our host families have worked with us for some years and they are used to dealing with guests from other countries.

Ask them what they expect from you, as this will help you to feel more comfortable. For example, you could discuss:

- ◆ How to get to the School and how to get home again.
- ◆ What time they have their meals. Your host should already know if you have any special dietary requirements
- ◆ If your friends can visit you.
- ◆ How to use the bathroom facilities and leaving the bathroom clean. Also ask about washing clothes
- ◆ Using the telephone, or computer if they have one
- ◆ How to use the key to get in the house
  
- ◆ **ALWAYS** tell your host if you will be late or will miss a meal
- ◆ **ALWAYS** tell your host if you are going to spend a night away, so they will not worry.

Talking about these things at the beginning is always a good way of getting to know your host and it will help you to settle into the hosts' way of life. Many of our students have made lasting friendships with their hosts; we hope you will be able to do the same.

Always talk to your host family first if you have any doubts or problems. There may be small difficulties and misunderstandings, but these can usually be resolved quite quickly.

Talking is always the best way, but if you are unhappy with your host family, you should talk to the Accommodation and Welfare Officer in the accommodation office which is located on the 2<sup>nd</sup> floor in building one.

### Your family should provide you with all of the following:

- A room with a full-size bed, a wardrobe, a full-length mirror, bedside table and a chest of drawers.
- A clean set of bed linen and towels once a week.
- Breakfast and an evening meal, and lunch at weekends (if half-board).
- A shower or bath every day.
- A quiet place where you can study.

## To Make Things Easier

When you have arrived at the School, you can make your life in Brighton easier if you do the following things:

- Learn the address and telephone number of your Homestay, and the way to and from the School! We will give you a map of Brighton on your first day.
- If you are staying for 6 months or longer and want to open a bank account, ask for a 'bank letter' in Reception (please ask your host family if they are happy for you to use their address).
- Look in your passport to see if you have to register with the Police. If you are not sure, please go to the Main Office.
- Think about buying a Grammar Book from the Bookshop. Your teacher can advise you on this.
- if you are staying for at least 3 months, The International Student Identity Card (ISIC) is available from STA Travel in North Street. You can get a discount on buses and in some shops and restaurants with this card in Brighton. If you are eligible, you will receive an email from the school describing the procedure the first week you arrive.

## Safeguarding Under-18s at St Giles Brighton

At St. Giles, we want to ensure that all students are safe and happy both inside and outside of the school. The school makes it clear in its publicity that it is an adult environment and parents or guardians are asked to sign parental consent forms before any under-18s begin lessons. However, it is essential that all students and staff remain mindful to the fact that children are present within this adult environment.

On your first day you will be given a **YELLOW WRISTBAND (16 & 17 yrs.)** or a **RED WRISTBAND (14 & 15 yrs.)**, so teachers, staff and other students identify your age. On the wristband you will have the school number and the school emergency number. It is important you wear it at all times.

**On your first day you will meet the Under 18s Officer or DSP (Designated Safeguarding Person).**

**Bryony Devitt**

**Bryony**, our Designated Safeguarding Person, meets the newly arrived under-18s on their first day to introduce herself and explain what she does in the school and where students can find her. She will also explain the under-18s rules and will check that the contact details for you and your parents are correct. Bryony works in **Reception, ground floor, building 1**. If you have any worries or concerns, you should speak to her whenever you need. She is available any time during the day until 5pm. You can also email her: [bdevitt@stgiles.co.uk](mailto:bdevitt@stgiles.co.uk)

**The Principal** is also the school's Designated Safeguarding Lead for safeguarding and child protection and has a responsibility to investigate any allegations of child abuse relating to students under the age of 18. Her email address is: [kwash@stgiles.co.uk](mailto:kwash@stgiles.co.uk)

# Advice, guidance and rules for Under-18s

We want you to have a wonderful time in the UK and we are sure you will have an exciting experience.

In order for you to have a safe and enjoyable stay please read this information carefully and let us know if you have any questions. The Under 18's Officer is the person you can go to at any time but all staff in the school are here to help you.

## 1. Your First Day

- We must take a copy of your passport and flight ticket or boarding pass
- We will also take your emergency contact details if we haven't got them already.
- You will meet the Under 18's Officer who will give you all the information you need to know, and you will be told about our Under 18's Meetings.
- You will be given a **yellow wristband if you are between 16-17 years old**, please wear it when you are at the school and on social activities organised by the school.

### For 14- and 15-year-olds

- There is a Safeguarding Meeting for our Junior students every Monday at 3.30pm. This is a compulsory meeting run by our Under 18's Officer so you must attend. The purpose of the meeting is to ensure that you are safe and enjoying your time whilst at St Giles. We will also introduce you to the other Junior students in the school so that you can start making new friends.
- You will be given a **red wristband if you are between 15-16 years old**, please wear it when you are at the school and on social activities organised by the school.

## 2. Classes

- You may be placed in an adult class when a class for Under 18's is not available at your level. During our busy summer period it is more likely that you will be in a dedicated class with Under 18's.
- You must come to school every day unless you are sick. If you are sick, you should call or email the school to let us know. If after 10 minutes after the lesson has started you are not in school, we will call you to find out where you are. If we can't contact you, we will try your homestay. If your homestay doesn't respond we will call your parents.
- Please do not use your mobile phone or tablet for personal messaging, telephoning, surfing the internet or anything not related to the lesson.
- Please do what your teachers ask you to do.
- Bad language, fighting and bullying are not allowed.
- Please do not wear clothing with offensive or insulting images or words. Clothing should be respectful to the staff and students.
- Misuse of computers to harass or abuse students or staff is prohibited.
- Misuse of computers to visit inappropriate web sites or download inappropriate material is prohibited.

## 3. At the Homestay

- It's really important that you have the mobile number of your homestay saved on your phone. Also please make sure that the school emergency number is saved.

**Our emergency number is: +44 7816 414660**

- Make sure you know how to get to and from school and your homestay. If you are unsure, then check with the Under 18's Officer before you leave school today.
- You should have dinner with the homestay every evening. If you plan to have dinner out or will be home late then you should make sure you tell your homestay in advance
- We ask homestay hosts to make sure they know where their students are going, who they are going out with and what their plans are. They will ask you about this so please give them the details.

#### **For 14- and 15-year-olds**

- If you are staying with a homestay for more than 27 nights, then you will be Privately Fostered. This means that we notify the authorities, and you will have a Social Worker who comes to visit you at school and at the homestay to make sure you feel safe and are happy.
- If you would like to go out after dinner in the evening, you can only do so with two other friends of a similar age. You should tell your host who they are meeting, where you are going and what your plans are.
- If you would like to have dinner out with friends then you should follow the same rules and tell your homestay who they are going with, where and what time they will be home.

#### **4. In the School Building**

##### **For 14- and 15-year-olds:**

- When the class has ended, you should not spend time in the classrooms. You should go the communal areas of the building such as the café for your break and lunchtimes.
- If you would like to leave the school at lunchtime, you can do so with at least two other friends who are also under 18. You must get authorisation from the Under 18's Officer and sign out of the building when you leave and sign in when you return.
- We have toilets around the building that are 'Suitable for Juniors' and you should **only** use these. Our staff will show you these toilets but please ask if you need help finding them.

#### **5. The Social Programme**

- We encourage all students to take part in the social programme. Almost all activities are suitable for under 18's and it's a great way for you to make new friends and practise your English. Our Under 18's Officer will introduce you to other students, and we ask our Under 18's to meet together independently too.
- If you would like to visit other places on day trips, we would suggest you do so through the school Social Programme. You can speak to the Under 18's Officer or Social Programme Organiser about this.

##### **For 14- and 15-year-olds:**

- You are be booked onto our Junior Programme which means you have 28 lessons of General English per week plus 3 weekday activities on the Social Programme. You **MUST** attend these 3 activities every week. We will check that you are doing them and if you miss any we will speak to you to find out why. Continued absences will result in warnings according to the Disciplinary Policy.

## 6. Curfews

If you go out in the evening or at the weekend you **MUST** return home by these curfews-

	<b>Sunday to Thursday night</b>	<b>Friday and Saturday night</b>
<b>Ages 14 and 15</b>	<b>21:00</b>	<b>22:00</b>
<b>Ages 16 and 17</b>	<b>23:00</b>	<b>Midnight</b>

If you do not return to the homestay on time and your host cannot contact you, they will call the school emergency phone. If the emergency phone holder can't contact you, then they will contact your parents.

You should always be home by curfew and make sure that your mobile phone is switched on and charged up at all times.

If you miss your curfew a member of staff at the school will speak to you about this and you may receive warnings according to the Disciplinary Policy.

## 7. Travelling to and from School/ Out and about

When you are out and about it is essential that you keep your mobile phone with you and charged up at all times. On your phone you must have the school emergency phone number, and your hosts number stored. It would be a good idea for you to keep a power bank for your mobile phone with you in case the battery dies when you are out.

**The school emergency number is also on your St Giles wristband or student card that you have been given. They should wear this when you are both in and out of school.**

## GENERAL ADVICE ON STAYING SAFE IN THE UK

Please remember the following on staying safe-

- In the UK we drive on the left. When crossing the road we need to look 'Right, Left and Right again'. Use pedestrian crossings when possible.
- Keep personal property such as phones and wallets safe and out of sight. It's not a good idea to walk around with phones out.
- Be careful of strangers. Don't make eye contact with people you don't know and don't accept lifts, gifts, drinks or drugs from strangers.
- If somebody asks you to go somewhere or do something that you don't feel comfortable with, say no.
- Do not go to places where there are no other people.
- Do not walk home alone at night.
- Do not go to dark places like parks or the beach.
- If you want to take the bus, it is a good idea to travel with a fellow student who lives in your same area.
- Download Brighton & Hove buses app so you can check your bus timetables and any delay or disruption in your route.
- On your way back to the homestay after an evening activity, go back home and do not stop anywhere else.
- Your host knows what time you should be back home, and you should always communicate with them.
- If you need the Police, fire brigade or an ambulance, the number is 999

## 8. Alcohol, Smoking, Drugs and Age of Consent

In the UK it is against the law –

- To buy alcohol if you are under 18.
- To buy cigarettes, vapes or e-cigarettes if you are under 18.
- To smoke if you are under 16.
- To take, possess, sell or make drugs.

The age of sexual consent in the UK is 16.

At Giles we take underage drinking and smoking or the use of drugs very seriously. If caught you could be sent home.

## 9. Going out in the evening or at weekends

If you are going out in the evenings or at the weekend you should do so with other students who are under 18.

It is not appropriate for you to spend time alone with students who are 18 or over.

If you would like to go out in the evening or weekends in the town or city you are studying in, then you should tell your homestay your plans and be home by curfew.

### For 14- and 15-year-olds

If you would like to go out in the evening, you should do so with at least 2 other friends of the same age. You are not allowed to leave the town or city of the homestay during evenings or weekends without our permission.

You must use a trusted taxi service if travelling alone after sundown. St Giles uses 01273 74 74 74. Another well-known company is 01273 20 20 20

## 10. Leaving the city/ town of study at the weekends independently

**If you are 14 or 15** and you would like to leave the town you are studying in for a day trip or an overnight stay, then you must ask a parent/guardian to complete a Travel Permission Form.

**If you are 16 or 17** and you would like to leave the homestay for an overnight stay, then you must ask a parent/guardian to complete a Travel Permission Form.

Please ask the Under 18's Officer to send this form to your parent/ guardian. Her email address is: [bdevitt@stgiles.co.uk](mailto:bdevitt@stgiles.co.uk)

The Travel Permission form must be completed fully with all details of the trip. The Principal will then review the form and if the trip is deemed as safe approval will be given and your homestay host will be told. Her email address is: [kwash@stgiles.co.uk](mailto:kwash@stgiles.co.uk)

Your homestay host knows that they should wait for permission from the school before they let you go.

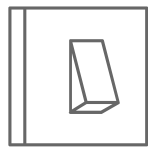

# STAYING SAFE WHEN ON A DAY TRIP

## Please remember this –

- Plan your trip carefully.
- Research before you leave.
- Bring enough money for everything you need including food, drinks and transportation.
- Bring drinking water.
- Wear comfortable shoes and clothes that are suitable for the weather.
- Make sure your phone is fully charged with important numbers saved on it. Bring a power bank in case the battery dies.

**Please read the information below. We also include this information in the Advice for Students which is given to you on the first day at school.**

	<p><b><u>GIVE YOUR MOBILE NUMBER TO YOUR HOST FAMILY</u></b></p>
	<p>Always keep your St Giles student ID with you.</p>
	<p>Ask about how to do the laundry/wash your clothes.</p>
	<p>In the UK, we flush toilet paper down the toilet and do not have separate bins. Sanitary towels should be disposed of separately</p>
	<p>If you are ill and cannot come to lessons, you must contact the school office or ask your host to do so as soon as possible.</p>
	<p>Always switch off lights and heaters when you leave a room.</p>
	<p>Showers should be limited to five minutes. Host families may also ask that you shower at certain times and not leave it until late in the evening.</p>

	<p>You should be home for all evening meals or let your family know well in advance if you will not be home for dinner. Tell your host if you would like special food.</p>
	<p>You should ask your host if you want to use the kitchen or take food from the kitchen.</p>
	<p>Keep your room tidy in your host family's home.</p>
	<p>No takeaway food in bedrooms or in your host family's house without their permission.</p>
	<p>Do not lose your key if you are given one - <b>IF YOU DO, YOU WILL HAVE TO PAY FOR ANY COSTS.</b></p>
	<p>Keep valuable items locked in your suitcase – <b>ST GILES WILL NOT ACCEPT RESPONSIBILITY FOR LOST OR STOLEN ITEMS.</b></p>
	<p>Do not make a noise – especially after you go to bed or when you come in during the evening.</p>
	<p>If you would like to invite your friends over, please ask your host family first if this would be okay.</p>

The school will need to know where you wish to go, when you wish to go, how you will travel and who you will be with. If you go away without this permission, the school will treat the situation very seriously. We will discuss this with your parents/guardian and we may have to ask you to leave the school.

If you want to book a **holiday from your course**, speak to the Under 18 Officers as we will need to contact your parents or guardians to give you permission. Once we have permission from your parents you can book your holiday by asking one of the Student Services Officers in the Main Office.

## Advice for U-18s going on weekend excursions

We want you to be safe during the excursion so please follow this advice:

- Make sure you have the St Giles emergency phone number, **07816 414660**, in your contacts on your phone.
- Please wear your St Giles yellow or red wristband.

- Be careful crossing the road. Use pedestrian crossings wherever possible.

- If you are late and think you won't be on time for the return trip, phone the UK Study Tours tour manager's mobile.
- If you miss the return trip, you will have to pay for your own journey back. Your parents have given consent for you to travel independently.
- If you arrive back in Brighton at night time, take a taxi back to your homestay.
- Make sure you have money on you to pay for a taxi or to cover other expenses.
- Don't forget to tell your homestay that you're going away for the day and let them know when you expect to be back.
- We have a record of your mobile number and will try to contact you if you go missing or there is an emergency. If we cannot contact you within 30 minutes, we will inform the Police and your parents.

### Emergency contact information:

If you are not in the school and you have a serious problem or emergency, please call one of the numbers on your yellow wristband. The school telephone number is **01273 682747** and the mobile emergency number is **07816 414660**. The emergency phone number is available 24 hours a day, seven days a week and a Duty Officer from the school will be able to help you with any problems you may have. If you need to contact the Police, or get an ambulance, or call the fire service, call the UK emergency number **999**.

## Staying Safe Online

In order to use the internet safely please follow the steps below:

- Don't post any personal information online –like your address, email address or mobile number.
- Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it.
- Keep your privacy settings as high as possible.
- Never give out your passwords.
- Don't befriend people you don't know.
- Don't meet up with people you've met online. Tell someone at the school immediately if someone asks you to meet them.
- Remember that not everyone online is who they say they are.
- Think carefully about what you say before you post something online.
- Respect other people's views, even if you don't agree with someone else's views doesn't mean you need to be rude.
- If you see something online that makes you feel uncomfortable, unsafe or worried: leave the website, turn off your computer if you want to and tell a trusted adult immediately

### Medical Issues:

We should have been informed if you have any medical issues in the Parent Consent forms your parents have completed before your arrival. However, if you have one that you think we should know about, tell the DoS, ADoS, your teacher or the Under 18s Officer in your first week meeting.

If you need to see a doctor, ask the Under 18s Officers for advice. If needed, they will telephone or go to the doctors with you.

### General Advice:

- Be very careful with your personal possessions and do not carry too much money with you.
- You cannot enter a pub or club, and you cannot buy or drink alcohol if you are under 18 years old.
- You cannot ask someone over 18 to buy alcohol for you –this is illegal.
- You cannot buy tobacco/cigarettes if you are under 18 years old.
- All soft and hard drugs are illegal in the UK. If someone offers you drugs always **say no!**

# Social Programme

There are many enjoyable and fun activities for Under 18 students at St Giles Brighton. Students under 18 years of age are encouraged to join in with activities such as bowling, restaurant visits, afternoon teas and many more! Check out the Social Programme on the digital notice board in reception, in the main office or the e-school and find out which events you can attend.

The Social Programme at St Giles is a very important part of your time here. If you take part in the programme you have the chance to make friends, have fun and practise your English.

The Social Programme Organiser produces a new programme of activities every week. Usually there are evening activities during the week and full-day excursions to different towns and cities at the weekends. Sometimes there are weekend excursions to places like Paris, Scotland and Amsterdam. (\*\*\*) as you are under 18 you will need permission from your parents to join weekend excursions). Some of the evening activities are free, others you have to pay for. You can buy tickets for evening activities at lunchtime in the main office. You will find information about what you have to do or pay on the Social Programme in the main office, on the digital notice board in Reception or the e-school. Please note that some of the evening activities, not all of them, might not be suitable for U18s (due to British laws).

Here are some of the activities you might find on a typical Social Programme:

## Afternoons

- Brighton Pavilion Visit
- Afternoon Cream Tea
- Football or tennis

## Evenings

- Film Night
- Bowling
- Music Night
- Theatre Visit
- Quiz Night

## Weekend trips

- ◆ Oxford
- ◆ London
- ◆ Paris
- ◆ Canterbury
- ◆ Scotland
- ◆ Cambridge

- REMEMBER if you have any extra ideas for good activities for the Social Programme, please talk to the Social Programme Organiser.

Check the Social Programme notice board in the office for all the latest information. Please note that not all the activities are suitable for Under 18s maybe because of the time of day or because they involve going to venues where Under 18s are not admitted. Remember that in the UK there are different rules for Under 18s.

If you are planning to go on one of the overnight trips, you will need a special consent from your parents so you will have to speak to Bryony, the Under 18s Officers.

The Social Programme emergency number is **07848 839681**

## Living in the UK

Many thousands of overseas visitors come to the UK and Brighton each year. They normally receive a very warm welcome from local people, but this welcome depends on how each visitor behaves. Here is some advice to help with the British way of life:

**Queuing.** In the UK, it is normal to queue at bus stops, banks, cinemas and shops. It is rude to push in at the front or the middle of a queue.

**Noise.** Many British people go to bed early compared to people from other countries, so please try not to make too much noise late at night.

**Other advice.**

British people often do not like to talk about their salary, their age, politics or religion.

When coughing or yawning, people will put their hand over their mouth and spitting is not acceptable.

Listen to how often people say "Please", "Thank you", "Excuse me", "Sorry". Try to use these words in a similar way.

In Britain, we drive on the left, so look right when you cross most roads.

## British Laws

### Litter

You must not drop rubbish in the street or in other public places. Please take it home with you or put it in a rubbish bin. Please note, if you drop a cigarette butt or any rubbish on the ground in Brighton you must pay £150 so be careful!

### Alcohol

You cannot buy beer, wine or spirits if you are under the age of 18. You cannot enter any pubs, bars or nightclubs and you may be asked to produce identification in a pub or a bar. It is illegal to buy alcohol for another person who is under 18.

### Shoplifting

Shops have good security systems, and they will always call the Police when they catch someone stealing.

### Drugs

It is illegal to have any kind of drug in the UK, including 'soft' drugs like cannabis. If someone tries to sell you drugs, just say "No".

### Smoking

It is not allowed in any enclosed public spaces, for example bars, clubs, cafes, restaurants, offices. Smoking is not allowed on public transport. You must smoke outside, five metres away from all doorways of public buildings including St Giles schools. Make sure you put your used cigarette in an ashtray – if you don't, you may have to pay an £150 fine!

**Students under-16s are not allowed to smoke by law in the UK.**

### Dangerous objects

You must not carry any kind of weapon (for example, a long knife or a gas/liquid spray) in a public place. If you travel by air, remember to put any objects like scissors in your suitcase, not in your hand luggage.

## Identification

In Britain, it is not usually necessary to carry identification so leave your passport somewhere safe. You can make a photocopy of your ID and keep it with you if you want.

St Giles will treat any criminal offences, for example theft, damage to property seriously.

St Giles does not tolerate racial, sexual or other harassment.

St Giles will treat seriously any attempts to either promote terrorism or violent extremism or to make or encourage students to take part in such activities in the school or in the community.

St Giles will treat seriously any behaviour which might reasonably be considered to put the physical or mental wellbeing of yourself or other students and staff, hosts and/or their family at risk or harm.

## Police Powers of Arrest

If the Police think you have done something illegal, they can arrest you. The Police have powers to search you when you're arrested.

- If you're arrested, the Police must:
- identify themselves as the Police
- tell you that you're being arrested
- tell you what crime they think you've committed
- explain why it's necessary to arrest you
- explain to you that you're not free to leave

If you're under 18 the Police must contact your parents, guardian or carer as soon as possible after your arrival at the Police station.

**Please note: St Giles will treat any criminal offences seriously.**

We want you to have a fun time in Brighton and learn lots of English, so stay safe!

## Meeting English Speakers

One of the best ways to practise your English and to learn new words is to make friends with other English speakers! Here are some suggestions for meeting them.

- Take part in our Social Programme. Talk with other students who share your interests.
- Talk as much as you can with the people in your house, especially to any children or people your own age.
- Find a café you like and go there regularly. This is how British people often meet for the first time.
- Join an evening class in a subject you're interested in. You can ask in the Brighton Library for more information about this.
- Why not try the Evolution Arts and Natural Health Centre on Sillwood Terrace in Brighton? You can do yoga, learn about massage and learn different arts too. Ask the Social Programme Organiser for more information.
- There are people from all over the world at St Giles. Make friends from another country and communicate in English.

## Racism, Bullying and Harassment

St Giles Brighton welcomes students from many different countries every year. We are very proud of our record of helping people from many different cultures and backgrounds to work together in friendship to learn English.

All students have the right to an educational environment where they feel safe and secure. The school takes the welfare of its students very seriously and racism, bullying and harassment in any form are considered unacceptable.

### What are racism, bullying and harassment?

Racism, bullying and harassment include any repeated action meant to hurt or upset a person. There are many forms, for example saying negative things to someone about their nationality, their beliefs or their physical appearance. It can be both spoken and physical. Anyone who thinks that racism, bullying or harassment is happening should tell a member of staff immediately.

### What should you do if you are the victim?

If you think you are being bullied or harassed, you must tell a member of staff.

This could be:

- Your Teacher
- The Assistant Director of Studies
- The Director of Studies
- The Accommodation and Welfare Officers
- The Principal

## **What action will the school take?**

Where bullying and harassment have occurred, the first course of action is to try to reconcile the situation informally. The perpetrator(s) will be required to genuinely apologise. If necessary, the person or people responsible will be moved to another class. In serious cases, they may be asked to leave the school. After incidents have been dealt with, each case will be monitored to make sure that harassment or bullying does not take place again.

### **If bullying or harassment occurs outside of school**

Report the incident to the school's Accommodation and Welfare Officer. Tell your hosts about the incident. In an emergency (such as theft or assault), contact the Police on **999**. If possible, write down any details of what happened to you. If you go to the Police station, take a friend with you.

### **We do not accept any form of racism or bullying.**

If you think you are the victim of racism or bullying, please talk to the Director of Studies or the Principal. We will take your complaint seriously and will treat it carefully and privately.

## Fire Regulations

If you hear a **RINGING** of the fire alarm that **does not stop**, leave the school immediately by the main stairs or the nearest fire exit and meet your class and teacher at the meeting point on the corner of Church Street, in front of the Main Entrance.

**DO NOT** run

**DO NOT** stop to collect books, coats, etc.

**DO NOT** go back into the building until your teacher tells you!

Please note, every **Tuesday morning** the fire alarm will ring to test the alarms.

## Health & Safety

We are all responsible for making St Giles Brighton a healthy and safe environment in which to work and study. If you notice anything dangerous in the school, please inform the Office or the Principal.

### First aid

If you have an accident or feel ill at the school, tell your teacher or someone in the main office. There is a first aid box by the Main Office.

We have five first aiders in the school:

**FIRST AID** 

Your first aiders are:

		
<b>Christine Sadig</b> Office	<b>Richard King</b> DoS Office / Staff Room	<b>Abbey Hughes</b> Cafe
		
<b>Emily Milner</b> Staffroom	<b>Bryony Devitt</b> Reception	<b>Katie Wash</b> Office

If there is a serious problem, a member of staff will take you to hospital.

### Emergencies

If you need an **AMBULANCE**, the **FIRE SERVICE** or the **POLICE**, phone **999**.

If you have another serious problem, phone your host family, or St Giles Brighton on **01273 682747**.

The school has a 24-hour emergency service. If you have a **real emergency** and need to contact St Giles, you can phone **07816 414660**.

# Emergency Action Plan

Emergencies are unpredictable and each situation is different and needs a different response. There are three main responses to an emergency:

## EVACUATE

This means leaving the school. We do this if there is a fire or bomb threat in the school.

## SHELTER

This means staying safe in the school. We do this if there is a danger outside the school, such as severe weather or an environmental emergency.

## LOCKDOWN

This means making the school secure. We do this if there is a terrorist threat where someone tries to enter the school and use a weapon.

**If there is an emergency while you are at the school, we will make it clear through our communications system what you need to do. You should follow instructions from your teacher or other members of staff.**

## RUN, HIDE, TELL

The UK Police offer advice on how to stay safe in the event of a weapons attack. They advise that you do the following:

### Run

- If an attack takes place, the best option is to evacuate the building but only if this will not put you in greater danger.
- Consider your route: If there is a safe route, then run.
- Insist others come with you but do not let their indecision slow you down.
- Leave all belongings behind.
- **When planning an exit route think about the following:**
- Will it place you in the line of fire?
- Is it safer to wait until the attacker(s) have moved away before running?
- If you cannot move to safety then **hide**

### Hide

- Try to find somewhere with a lockable door. Barricade yourself in and stand away from all entrance points.
- Try to find a hiding place that provides shelter from gunfire.
- Be as quiet as possible and switch mobile phones to vibrate.
- If you are able to evacuate then try to get as far away from the danger area as possible. Attempt to stop others from entering the building but only if this does not put you at risk.

### Tell

- Dial **999** only when you are safe.
- Give your location.
- Give information about the direction the attacker is moving in.
- Give as much other information as you can. For example, descriptions of the attackers or information about casualties.
- Is it safe to stop others entering the building?

When the Police arrive they will be armed. Their first priority will be to deal with the immediate danger. The Police may not be able to distinguish between attackers and staff/students, they may treat you firmly.

### Do:

- Remain calm and do everything the Police tell you to.
- Keep your hands where the Police can see them.

### Do not:

- Make sudden or violent movements.
- Raise your voice or refuse to cooperate with the Police.

**Firearms and weapons attacks are rare. Having a plan will help you stay safe.**

### Remember:

**Run** if you can  
**Hide** if you cannot run  
**Tell** the Police when safe

# Health and Advice

## Doctors

If you are ill, **tell your host family** and see their doctor if possible. If you aren't living with a host family, **go to the Accommodation and Welfare Office** and ask about seeing a doctor. If you need specialist help, you **must** see a general doctor first.

'Practice Plus Brighton Station', which is a medical centre at 84-87 Queens Road (near the main train station), offers a walk-in service and sexual health clinic. This means you can see a doctor even if you aren't registered with the surgery. It is open from 8am – 8pm seven days a week but you may have to wait to be seen, however. This service is free of charge.

If you are prescribed any medicine, you will have to pay for these. Make sure you understand the instructions and ask if you need help.

If you are staying in the UK for 6 months or more, it's a good idea to **register** with a doctor when you arrive. This may allow you free general treatment but check this with your agent or the school.

## Hospitals

If you have an **accident**, it may be necessary to go to hospital. Emergency outpatient treatment is free. Other treatment relating to HIV and sexually transmitted diseases are also free. But, if you have to stay in hospital, you may have to pay! You should have medical insurance to cover any costs.

## Chemists

If your illness isn't serious (for example a cold or a bad stomach), you can go to a chemist's. The pharmacist will give you advice on which medicine to buy or whether you should go to the doctor's.

## Dentists

Dentists are not free! If you need to see a dentist, ask in the Accommodation and Welfare Office for information about finding a dentist. When you see the dentist, always ask how much the treatment will cost!

Bright ON Smiles in Hove offers Emergency services for any painful tooth or infected wisdom teeth or other treatment like Invisalign, cosmetic dentistry, general dentistry. Their practice is equipped with scans for x-rays and CBCT.

All banks will ask you for a letter giving information on your course dates, proof of your UK visa status, your address in Brighton and proof of your permanent address in your home country. You can ask for this letter in Reception. When you go to the bank to open an account you must take your passport with you. Remember, if you change your address during your stay, you must tell the bank.
